## 7. Matters for Decision

### 7.1 Women's Collective Meeting – Grace Hensel

**Preamble:**

I am going to have the semester 2 Women's Collective meeting in week 3 and thought it would be fun to make it an interactive session. I will have food in order to entice people to come along but I also thought that while we discuss issues we could make something for an organisation that assists women in need. I will be in contact with a few organisations to figure out exactly what we will make at the session but I figured it would be good to have the money approved well before the event.

**Motion:**

Student Council approves \$500 from the Women's Officer budget to be spent on the women's collective meeting.

## 7.2 Semester 2 Pubcrawl – Bradley Martin

### Preamble:

This is the 2<sup>nd</sup> FUSA Pub Crawl of 2018. The proposed date of the pub crawl is Friday the 14<sup>th</sup> of September with a theme of “House of FUSA” as part of the FUSA winter pub crawl (based on G.O.T.). This event will hopefully raise revenue for the Student Council bank Account. See Appendix 4 for proposal.

### Motion:

Student Council accepts and endorses the Semester 2 Pub Crawl proposal and will assist in the promotion of this event as requested by the Social Activities Officer whenever possible.

## 7.3 Pub Crawl Promotion & Photographer – Bradley Martin

### Preamble:

This is in regard to the advertising of the event which will primarily be take place of Facebook. Subsequently, it is in the best interest to maximise the amount of people that can see this event. Attracting attention will increase the number of people interested in the event and should drive further shirt purchases, with the profits going to Student Council.

In order to compliment the event, a photographer should also be sourced to capture photos on the night, providing an additional service for participants.

### Motion:

Student Council to approve the expenditure of up to \$30 to boost the official Facebook event for the pub crawl as well as up to a further \$40 to allow for two shirts to be randomly allocated to the winner of an upcoming social media based competition. An additional \$300 will also be allocated towards hiring a photographer for the night. These expenditures will be funded from the Social Activities Officer budget.

## 7.4 Bury the Bill – Josh Rayner

### Preamble:

Earlier this year, the National Union of Students and Council of Postgraduate Students launched the Bury the Bill campaign in response to the proposed Higher Education Support Legislation Amendment (Student Support Loan) Bill 2018. If the bill were to be passed, the HECS/HELP repayment threshold for student debt would be lowered from \$54,000 to \$45,000, and introduce a lifetime student loan cap of \$104,000. The Coalition Government attempted to pass the bill during the extremely busy examination period, stunting students ability to campaign against the proposed changes and have a voice in the national rhetoric of higher education funding. Many undergraduate and postgraduate Flinders students will be locked out of completing their studies, if South Australian crossbench Senators do not block this legislation to protect their student constituents.

**Motion:**

FUSA condemns the Coalition Government for yet another shameful attempt to attack the welfare and prosperity of Australia's student population.

FUSA Education Officer will write to crossbench Senators, urging them to vote down the bill before parliament resumes.

## **7.5 O'Week Education Collective Competition – Josh Rayner**

**Preamble:**

Textbooks are too often a major financial burden on Flinders University students and students across the country. To ease the stress on some students, the FUSA Education Collective will be running a competition for new signups to go into the draw to win one of five \$100 Co-Op vouchers. All new signups will be entered into a randomiser to determine the five winners, and be contacted via email to collect their vouchers.

**Motion:**

Student Council approves the spending of \$500 from the Education Officer Budget to purchase the vouchers. Student Council members attending O'Week will promote the signup of all FUSA collectives and mention the competition to those interested in signing up to the Education Collective.

## **7.6 Disabilities Collective Meeting**

**Preamble:**

To engage students with collectives, the disabilities officer will host a free lunch to engage and encourage students to come to the collective meetings held on the 15<sup>th</sup> of August and the 12<sup>th</sup> of September.

**Motion:**

Student Council approves \$200 from the disabilities officers budget to provide lunch for two disabilities collective meetings.

## **7.7 Anti-racism campaign – Yaritji Green**

**Preamble:**

See Appendix 5

**Motion:**

Student Council approves the proposed Anti-racism campaign, and will promote and assist with the campaign as requested by the Indigenous Officer and International Students Officer.

## 7.8 Market Day raffle – Keon Simmons

### Preamble:

The Market day has been wonderful at Flinders seeing approximately 60 to 80 students weekly. One of the challenges is reaching out to other students. To get more students involved we need to spread the word as we are seeing the same students weekly. The second market day of semester 2 the FUSA International student officer will be having a free raffle in hopes to get more students coming weekly.

### Motion:

Student council approves \$200 dollars from the Flexi Fund for 4x \$50 Coles gift cards as raffle prized for the first 4 market days in semester 2.

## 7.9 Travel reimbursement – Keon Simmons

### Preamble:

I went to the Communities in Control conference in Melbourne, and the CISA conference in Cairns. The funding is to reimburse transport expenses to and from the airports and other necessary while away.

### Motion:

Student Council approves \$257.42 for reimbursement to the International Students Officer from the Welfare Officer travel budget.

## 7.10 International Students Movie Night – Keon Simmons

### Preamble:

As FUSA's international officer most of my work this year has been advocating for better rights, welfare, and representation for international students studying here. It's about time I connect with my cohort and have a bit of fun before the busy semester ahead. What better way than a movie night. See Appendix 6

### Motion:

Student Council approves the proposal for the International Students Movie Night, and will promote at the FUSA O'Week stall and elsewhere as appropriate.

## 7.11 First Year event – Lydia French

See Appendix 7

### Motion:

Student Council approve the proposed First Year event.

### **7.12 Club affiliation: Flinders Automotive Solar Team - Katerina Hatizpanagiotis**

**Preamble:**

See Appendix 11

**Motion:**

### **7.16 Students as Partners National Roundtable - Ashley Sutherland**

**Preamble:**

The University of Queensland will once again host the Students as Partners National Roundtable. Kate Walsh has recommended that I attend this event.

The Student President's travel account is overdrawn and this motion seeks to take money from elsewhere to fund this PD and learning opportunity which will enhance work at FUSA and at Flinders.

Accommodation need not be paid for as I will stay with at a friend's house to decrease costs. Registration for the event is free.

**Motion:**

Student Council approve up to \$450 from the Flexi Fund to pay for the Student President's flights to attend the Students as Partners National Roundtable at UQ and the subsequent Student-Staff relationships showcase on October 3.

### **7.17 Welfare Officer Casual Vacancy – Katerina Hatzipanagiotis**

**Preamble:**

The casual vacancy panel initially consisted of: Student President (chair), General Secretary, Education Officer, Women's Officer, Queer Officer, and Manger, Student Engagement. After the panel was decided, the Queer Officer withdrew for health reasons, and was replaced during the shortlisting meeting by the Social Activities Officer, and for the remainder of the process by Lydia French (General Council).

There were 5 nominations reviewed, and 2 interviews conducted. While it was a difficult choice, we are excited to welcome Nathan to the team and look forward to seeing what he can achieve in the remainder of the term.

**Motion:**

Student Council accept the recommendation of the panel and appoint Nathan Cheetham to fill the casual vacancy for Welfare Officer

### **7.18 Disarm Flinders – Zanny Edhouse**

**Preamble:**

A Memorandum of Understanding between BAE Systems and Flinders University that was signed on the 30 May 2018 will mean that this abhorrent arms manufacturer will have access to the Tonsley campus facilities and Flinders University research. BAE Systems has a long history of manufacturing weapons that have been used to commit war crimes and inflict death and destruction across the globe, the most recent example of this is the bombing of civilians and hospitals in Yemen using BAE weapons. The consequence of this MoU will mean BAE Systems will be able to use research conducted at Flinders for these means. This comes at a time when BAE Systems is working on creating new frigates, which Malcolm Turnbull describes as providing the Army with "the highest levels of lethality and deterrence." Vice Chancellor Colin Stirling said that "We congratulate BAE Systems for its successful bid for SEA 5000 and look forward to working collaboratively in support of the Future Frigate program."

As a part of the Books Not Bombs/Disarm Flinders Campaign which calls on Universities to divest and boycott from weapons manufacturing companies, FUSA Student Council should condemn this move by the University and Vice Chancellor Colin Stirling. A company that profits off the destruction and death of human beings should have no place in our university.

FLINDERS UNIVERSITY STUDENT ASSOCIATION

Meeting: 10 July 2018

**Motion:**

Student Council condemns the Memorandum of Understanding signed between Flinders University and BAE Systems signed on 30 May 2018, calls on the University to withdraw from this MoU and cut ties with this company.

## 9.0 Matters for Discussion

### 9.1 EdCon Planning Update

Ashley Sutherland: At the moment NUS are closing registration for EdCon this Friday (15<sup>th</sup> June). We've been invoiced for 11 of us to attend. If you want to attend and you have not yet expressed interested, contact myself or Katt (Hatzi) ASAP. The registration is \$150pp, and can be deducted from your travel budget. Also, NUS are closing the workshop registration on Friday – if you have an idea, there is a Google form you can fill with details of what you would like to talk about. Some examples are SSAF, our campaigns, welfare, etc. If you need help, let me know.

Katt Hatzi: Just a heads up, the registration will be in city on the Sunday, as it's more accessible. University of Adelaide or UniSA to host the registration.

### 9.2 Cultural Sensitivity Training – Kate Walsh

Ashley Sutherland: SRDO would like to reschedule the cultural sensitivity training that was cancelled earlier in the year, is seeking agreement from us that we would like to participate and can make a commitment to attend. Going to invite Doug Turner to deliver the training, which will focus on how to be respectful in your day-to-day including your role on Student Council, and I think it's important discussion to participate in. Kate (Walsh) is wondering if the mid-year break is a possibility?

Katt Hatzi: Rather than mid-year break, maybe week 2-3 of semester so that everyone is here and it's after O-week. I think that's an easier date to commit.

Ashley Sutherland: I agree, let's aim for week 3, as the AGM is week 2 and we need to have at least 50 attend the AGM.

Andy C: Is there an agenda available for the AGM?

Ashley Sutherland: Unless someone raises a motion, the AGM follows a standard format, but people are welcome to raise something if they wish. I suggest if that is the case they consult the regulations and constitution to ensure what they want to raise is suitable for the AGM rather than a general meeting. AGM is basically just for constitution changes, and a report from the General Secretary and Student President. We will circulate an official agenda closer to date.

Katt Hatzi: I'll talk to Kate (Walsh), if we could all respond to doodle poll ASAP that would be great.

### 9.3 Event Funding – Chris O'Grady

Chris O'Grady: I would just like to make everyone aware that funding is available to Student Council for events, campaigns and initiatives they may like to hold. I had a meeting this morning with Rachael (Pollock) and she'd love for any Student Council members to approach her if you have ideas for Semester 2. You need to think about your budget in terms of what you still have available individually, as well as the Flexi-Fund. I will be reporting to the SSAF Budget Advisory Committee with our plans for spending for the remainder of the year and it's important to be able to demonstrate that we have plans for expenditure for the year.

Keon Simmons: when do you meet with the SSAF committee?

Chris O'Grady: Not sure yet. Likely July-ish?

Ashley Sutherland: Take the opportunity to mention that if you identify as a woman or non-binary, the NWSU conference is coming up soon, it's a great event to go to, and feel free to use travel budgets to go, if you have some available.

*Meeting closed at 19:06.*

### 1.0 Introduction

Books Not Bombs is the latest education campaign to be launched by the National Union of Students. The campaign is an expansion of the Make Education Free Again Campaign, contrasting Australia's rapidly growing military industrial complex, with constant funding cuts to the higher education sector. As Flinders students are often unable to attend National Days of Action and other such events in the CBD, this proposal focuses on holding events at the Bedford Park campus to increase our reach to as many students as possible during the early weeks of the semester, prior to the national campaign launch on the 6<sup>th</sup> of August.

### 2.0 Components of Event

#### 2.1 Free Soup Lunch

Building upon the work of previous Education Officers and the BBQs to raise awareness, we'll be hosting a soup lunch in the HUB on the 2<sup>nd</sup> of August. Assuming miserable Adelaide weather during this time of the year, and the soup will be handed out inside, like past welfare events during the exam period. I'll be making some photo props like ones used during the Make Education Free Again NDA, for students to pose with while lining up for the soup, signing a Disarm Flinders petition, or collection one of the Books Not Bombs notebooks.

#### 2.2 Notebooks Not Bombs

To coincide with the soup lunch, we'll also be handing out Books Not Bombs campaign themed notebooks, however, these could potentially be available to hand out at O'Week stalls. Plain notebooks will be purchased with stickers of NUS' Books Not Bombs logo.

### 3.0 Media Team

The Media Team will complete a digital graphic similar to Welfare Breakfast designs to be used for social media promotion of the soup and notebook giveaway. This will include the Books Not Bombs graphic used for the NUS campaign. Stickers will also need design work using the same graphic.

#### 4.0 Budget

Services	Cost Per Unit	Quantity	Estimate Cost	Actual Cost

Stickers	1	300	300	
Facebook Promotion (other Media initiatives)	\$20.00	1.00	20

## Women's Officer's report – Grace Hensel

### Bluestocking Week

For Bluestocking Week, 13-17 August, which celebrates women in higher education, I thought it would be interesting to do a media campaign around the topic. I figured that we could use statistics about women in higher education, as well as looking at past female Flinders students who have gone on to do cool stuff. I was thinking this information could be turned into profiles, which could be shown on screens around the uni so people can see how awesome women in higher education are! Kym Pryor creates the alumni newsletter/magazine and I thought she would be a great contact so I've emailed her and asked for her help in creating these profiles for the media campaign.

### Women's Careers Event

I have been in contact with Rachael about a few events this month including a careers event for women. I'm looking into panellists I can have at Flinders that can share a female experience in a professional setting and who can relay issues they have had to face and how they have managed, or at least tried, to overcome them. This event is still in the works but it would be great for FUSA to branch out from the awesome social events that we often host and help students prepare for life after uni.

### Women's Collective Meeting

I have planned to have a Women's Collective meeting in week 3 of semester 2 as an opportunity to hear what women on campus have to say about being a woman at Flinders. I'm hoping to do something interactive like make something for a women's organisation but haven't quite worked out what this will be just yet!

### Education Conference

I attended the NUS education conference, which has been great opportunity to learn more about higher education and issues that students are facing in higher education.

## International Students Officer's report – Keon Simmons

1. As the international student officer since the last meeting I sat on academic Senate as a proxy for the FUSA education officer. During this meeting a number of alarming things were brought to my attention. I have flagged my concerns with the DVSC Clare Pollock and she has forwarded my concerns to the Vice Chancellor (international) and a meeting with him is pending. I will set up a meeting with him when I return to FUSA.
2. I went on leave for exams.
3. Attended the CISA conference
4. CISA is the peak body for international students studying in Australia. At CISA the focus was international student wellbeing and welfare. I met with many student presidents and other international officers and discussed representation at Flinders which again we are lacking.

So, I will be meeting with students and investigate establishing the Flinders university international student association this semester. I will also be working very closely with CISA and study Adelaide to build a state committee as SA really lacked representation at the conference

5. I met with professional staff from the university of Adelaide at CISA and we have committed to working with each other and the SRC's international officer in building a better and stronger voice for international students studying in Adelaide
6. Scheduled a meeting with GM Chris of FUSA to debrief from the CISA conference and to discuss some issue I raised to Dean of education Chris in Health Science.
7. Attended Market days and discussed with FUSA and Ben of Oasis ways to get more students involved

## Disabilities Officer's report – Louise-Anne Nixon

- Attended Edcon, and discussed with the National disabilities officer regarding events and campaigns for semester 2
- Preparing for collective meetings in semester 2.
- Beginning to plan for mental health week in semester 2, what events shall be held and starting to focus on workshops that students can attend regarding strategies to cope with mental health issues and awareness of help that Flinders offers. Still choosing the week for it to be held as the national mental health week is student election week.

## Social Activities Officer report – Bradley Martin

- Submitted the event proposal and budget regarding the FUSA Ball to exec
- Completed and submitted the event proposal regarding the 2<sup>nd</sup> semester FUSA pub Crawl to Student Council
- Liased with the media team regarding advertisement material for the FUSA Pub Crawl and Ball

## General Councillor Report – Jesse Stevens

Since the last meeting, I have mainly been planning for the upcoming semester. I now have a fairly clear set of ideas and projects to work on in semester two, and have allowed for time to assist office bearers with their projects. I have attended the NUS Education Conference held at Flinders over four days which gave me some additional ideas to consider for semester two. Also, between submitting this report and the student council meeting, I will be attending two days of the Students of Sustainability Conference in Melbourne to learn about environmental issues and activism.

## General Councillor Report – Lydia French

- Member of panel for new Welfare Officer included;
  - reading submissions
  - attending shortlisting meeting
  - attending interviews/discussions afterwards

## Manager Student Engagement – Update – July 2018

### Staffing

We have had some new staff begin at FUSA over the last couple of weeks. Ally Drew began in the 0.4 Student Advocacy Officer position in the Student Assist team. Caleb Osborne began in the fulltime Events Assistant position. The recruitment process for the Media Assistant position has begun with shortlisting and interviews to occur in the next couple of weeks.

### Policy Redesign Project

- A process is underway to establish a Student Policy Reference Group – a group of students from across the University that will meet regularly to provide feedback on all student policies that are under review.
- The Equal Opportunity Policy and Disability Policy will soon be made available on the University's website for open consultation with both students and staff.
- A first draft of the Student Complaints and Appeals Policy will be made available to FUSA for feedback shortly.
- The first draft of the new Bullying Policy will be made formally available to FUSA for feedback once it goes to the Student Policy Reference Group.
- The Respect. Now. Always. Advisory Group has endorsed a discussion paper on the new Sexual Harassment and Assault Policy.
- I will be in touch with all of you in the near future inviting you to be involved and provide input into these policies.

### Financial Reporting

I am continuing to work with Finance around developing a new structure for the SSAF accounts for FUSA/Student Engagement. The aim is to allow us to be more effective and efficient with how we track expenditure for the year and be able to run reports instantly to determine where we are at. This is quite a complex and involved task. The initial goal was to have this in place by the end of June, however this has now been moved to the end of July.

### Flinders Legal Advice Clinic

Beginning Week 2 of Semester 2, the FLAC will provide legal advice from FUSA every Wednesday morning. The clinic will use the 'Quiet Room' (opposite to the SC Room) and the meeting room (used as a breakout space) from 9:30am – 1:30pm.

I have informed the FLAC that we will review the arrangement periodically (probably every six months) to allow us the ability to grow in staff numbers and utilise all of our office space in the event that we need to in the future.

## **Student Assist Activity Report – Prepared by the Team Leader, Student Assist**

### Casework

This report has been prepared in time for the next Student Council meeting and reflects advocacy work from 1<sup>st</sup> to 30<sup>th</sup> June.

Student Assist opened 61 new student cases in June (up from 49 in May), and up from the 52 new cases opened in June last year. Most students (48; 78%) were using Student Assist's services for the first time.

Each case opened in Student Assist's case management system involves one or more 'issues', which fall into the broad categories of 'Academic', 'Financial' or 'Welfare'. Any given case will have at least one issue attached to it. In complex cases, a student may have a number of interconnected issues adding a multifactorial dimension to their situations and often requiring multi-pronged approaches for satisfactory outcomes.

Student Assist managed 84 new issues in June (up from 60 last month). The majority (51%) were academic issues, followed closely by financial issues (45%). Only 4% of the issues were related to Welfare matters (defined by Student Assist as those encompassing Equal Opportunity, Personal, Employment and Accommodation concerns).

A closer investigation of the academic issues in June shows that complaints against the University were the most common issue (19%), followed by applications for re-marks of assessment exercises (11%).

In relation to financial issues, 14% of the casework related to applications for tuition fees by instalments, followed closely by applications for remissions of fees (10%). Both Financial Counselling and applications for Student Loans have represented 5% of the total Student Assist workload this month, as they did last month.

In addition to casework, 28 students (down from 45) contacted Student Assist via the general email address to seek advice during June. Queries relating to academic issues represented 82% of the general email contacts. Placements and appeal-related queries (27%) were the most represented issues brought to Student Assist staff.

Note: Ongoing cases opened in previous months are not counted in the above figures.

Graphs summarising caseload are shown below.

### Projects and Communications

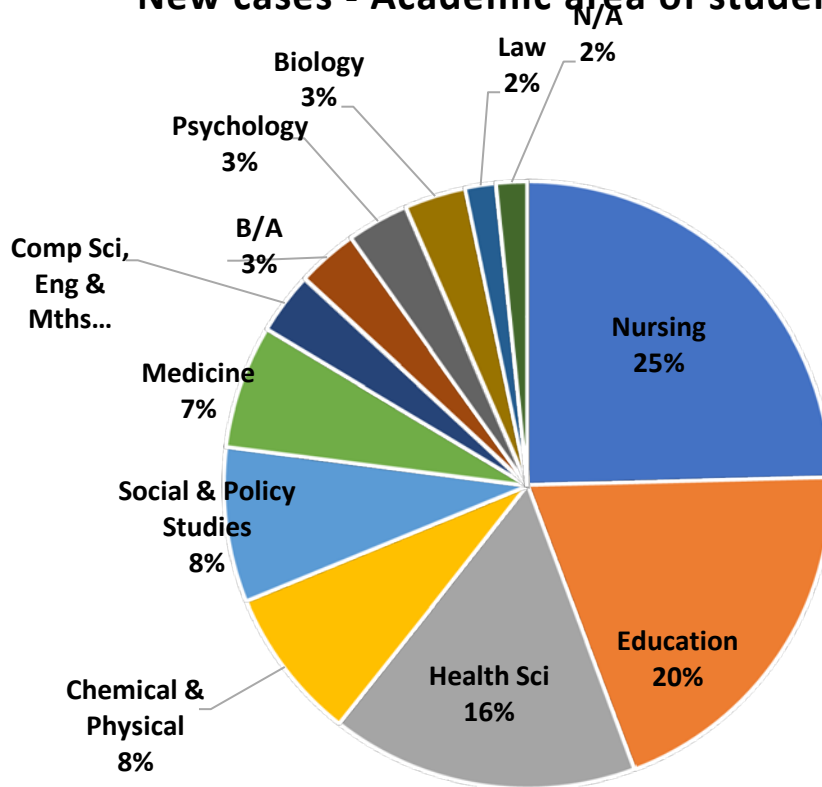

- Attended Community Market at Oasis on the 21<sup>st</sup> June.
- Team Leader attended Student Services Conference in Adelaide
- SAO attended Legal Services Commission session on Centrelink issues.
- Planning for the Financial Hardship Grants (previously known Second Semester Grants) underway
- Tax Help planning assistance provided to Admin
- DINO planning and discussions held with Student Experience

- Preliminary assessment of the suitability of a Flinders-based CRM for the management of case notes
- Meeting with Student Finance to trouble shoot the delays in interest-free student loan disbursement
- No-bullying at Flinders policy review. Meeting with Manager of Equal Opportunity for a preliminary discussion about this review.
- Induction and training of new Student Advocacy Officer has commenced
- SFAO received Financial Counselling professional supervision as per ongoing commitment to maintain SAFCA (South Australian Financial Counsellors Association) registration.
- Continued to support new Yunggorendi staff to become conversant with the university student-related policies and procedures, and to provide insights into Student Assist experiences with student advocacy.
- The SWOTVAC campaign, now in its second instalment, was available from the 4<sup>th</sup> to the 15<sup>th</sup> of June and was well received by students. At least 181 students availed themselves to emergency food and toiletries and have provided Student Assist with valuable de-identified data to help us refine and enhance the services available.
- Regular catch-up with Manager of International Student Services
- Presentation along with Senior Counsellor on dealing with issues students experience during work integrated learning (placements)

**Student Representation Report** – Prepared by the Student Representation and Development Officer

Over the past month I have been working on a number of projects/activities:

I'm getting closer to the Semester 2 Topic Rep Pilots in the College of **Science and Engineering** and **Business, Government & Law**. All participating Topic coordinators have received information about the pilots and how they can support the program. Currently we have 9 topics in BGL and approx. 77 topics in S&E taking part.

I have recruited four past Topic Reps from the 2017 pilot to become Associate Trainers in the Semester 2 2018 pilot roll out. Associate Trainers will be paid to attend training and for any subsequent training they deliver. A full day Train the Trainer workshop will take place on July 2 to prepare and equip Associate Trainers in their role. I have been working with Michelle Tatyzo to develop up this training that covers:

- What makes a good trainer
- What makes a good training experience
- What is expected of a Topic Rep Trainer
- Practicing skills to be a good trainer and facilitator

The **Welfare Officer vacancy** on Student Council was advertised during June. The selection committee is currently finalising their recommendation to SC after conducting a number of interviews.

**FUSA Development Grants** - The grants will open on July 23. Lydia French will be the Student Council representative on the FDG selection panel along with Michelle Tatyzo and myself. Assessment will take place in mid August.

Michelle and I have been supporting a number of **Academic Associations** this month. It's great to see that Flinders Law Students Association will finally transition into an Academic Association (pending approval from Student Council). We also met with Social Work students to prepare for them to become a much needed Academic Association to represent one of the largest cohort of students in the University.

I attended a College Education Committee in the College of Medicine and Public Health to report on student voice initiatives across the University. The topic of international student representation came up and I agreed to be a part of a small working group.

If you'd like to discuss any of the above or anything related to student representation and the student council please get in touch with Kate Walsh on 8201 3620 [kate.walsh@flinders.edu.au](mailto:kate.walsh@flinders.edu.au)

## **Events Report – Prepared by the Events & Projects Officer**

### **Events Team**

This week, Caleb Osborne joined the FUSA team as the new full time Events Assistant. Caleb will be working from the Media/Clubs/Events office so please stop by to say hello when you're at FUSA next.

Celina Rebola will finish up at FUSA this week. A huge thank you to Celina for all of her hard work over the last 6 months.

### **Semester Two O'Week**

Semester Two O'Week is a few weeks away, and has been the main focus of work in June. The events and entertainment are coming together nicely. Web and social media will be live by Monday July 9 with information on all of the events and weeklong entertainment. We have a stall space allocated for Student Council on Monday 23<sup>rd</sup> July. Please speak to Adam or myself if you have any particular requirements.

### **Student Council Events**

During June we celebrated World Environment Day. Congratulations to the Environment Officer for bringing together some brilliant clubs and community groups. Students loved the free food (Soup and Laksa) and the environmentally conscious giveaways.

The Soup-er Swotvac giveaway was a huge success during Swotvac and the first week of Exams. This is a fantastic initiative and we aim to work with the Welfare Officer to establish a roving Swotvac offering for Semester Two. This will allow students at Sturt, Tonsley and Vic Sq to grab some freebies too.

August is shaping up to be a busy time for Student Council events. Thank you to everyone who has touched base with ideas or proposals. Over the next few weeks our focus will be finalising O'Week, and working on the planning and delivery of the upcoming Student Council events.

### **Other events and projects**

The FUSA Ball is locked in for October 12<sup>th</sup> at the Hotel Richmond, with marketing to be rolled out during O'Week.

FUSA is also working on a collaborative live music event with OCME to celebrate the end of the University calendar in late November. A proposal will be circulated once the finer details are established.

If you have any questions, or would like to discuss an event idea please feel free to pop by my office, or email me at [rachael.pollock@flinders.edu.au](mailto:rachael.pollock@flinders.edu.au). I am in the office alternate Mondays and every Tuesday, Wednesday and Thursday. If you stop by and I'm not around, please send me an email and I'll arrange a time for us to catch up. Alternatively, you can speak to Caleb or email [fusa.events@flinders.edu.au](mailto:fusa.events@flinders.edu.au)

## **Media Report** – Prepared by the Media Officer

### **Usual work:**

- Newsletters (fortnightly)
- Facebook (roughly 99+ comments/likes/PMs a day)
- (don't forget if you want something to go out via FUSA fb you can always PM the account)
- Club logos and design eg Paleo 30th, Optometry etc.
- Student Council event design eg FUSA Ball,
- Design work for Student Assist
- Empire Times support and training
- Empire Times

### **Consent Campaign**

We have finalised our legal work to provide BaBH as an open source, we now have to redesign the assets to withdraw the Flinders University parts and highlight the South Australian focused references so anyone can then make BaBH into something that can help their community.

### **Media Assistant**

We're in the process of hiring a Media Assistant, so things will be a bit busy in the coming weeks, reading through applications/portfolios and interviewing for the position.

### **Diary**

Now it's time for us to start quoting for the diary – looking at specifications, size, materials etc. And then we'll begin the design process. We're working to a very early deadline this year to avoid the January issues we usually face.

### **Semester 2 O'Week**

We're in the final process of creating artwork and marketing out for semester two O'Week.

## **Financial Hardship Grants and Development Grants**

We've redesigned the concepts for what was 2<sup>nd</sup> Semester Grants and Development Grants and you'll see that up very soon.

## **Annual Report**

The annual report is so close to being finished, just waiting on some final numbers. Thanks to all who have helped Jess, Chris and I to get this done.

Multicultural Festival, Paleo's 30<sup>th</sup>, and Empire Times are other core focuses.

---

## **Clubs Report** – Prepared by the Clubs and Events Officer

### **Leave**

The Clubs & Events Officer was on leave for two weeks in June. During this time club queries were responded to by the FUSA Admin team. This is a traditionally quiet time of year for clubs due to SWOTVAC, and is unlikely to have significantly affected club operations.

### **Multicultural Festival**

Registrations for the Multicultural Festival close on the 6<sup>th</sup> of July. Registrations have been quite low, however typically registrations come through at the last minute, so with luck this should improve. Student Council is encouraged to recommend any clubs or international student groups get involved, as the number of stalls can be increased to allow for additional demand.

The format will be identical to previous years, with food stalls, exhibits and performances held within the ground floor of the hub across two days (7<sup>th</sup> and 8<sup>th</sup> of August).

### **O'Week Stall Registrations**

Registrations for stalls and roaming permits for O'Week Semester 2's stall day (Monday 23<sup>rd</sup> July) have now closed, and the event is now booked out. Due to the winter weather, O'Week will be held exclusively within the ground floor and first level of the Student Hub. Once stall allocations are finalised all applicants will be notified of their location along with any further details. Final positions will depend on advice from Flinders Electrical, along with the details of the commercial stalls.

## **Pool Funding**

The third round of Pool Funding opened on the 3<sup>rd</sup> of July, and applications will close on the 16<sup>th</sup> of July. Due to O'Week, the review of these applications is tentatively set for the 24<sup>th</sup> of July 2018. Due to the deadline for General and Start-Up Funding (see below), it is expected that there will be a significantly larger pool of funding to distribute compared to the first and second rounds.

## **Club Funding Deadlines**

The deadline for clubs and associations to access any General Funding and Start-Up funding is approaching, set for the 22<sup>nd</sup> of July. Clubs and associations will be reminded regularly over the coming weeks to ensure they apply to access their funding.

Any funding not used after this deadline will be placed into Pool Funding, to allow funding to be reallocated to clubs who require it for other events, activities and projects.

#### **1.0 Introduction**

The main initiative for this awareness campaign is to educate the greater campus community and to create a safe space to talk about a problem that affects us all. Flinders University is made up of twenty-six thousand students and three hundred and fifty of those students are Aboriginal and Torres Strait Islander students.

This community event will be held at the Bedford park main campus. There will be promotional materials around campus donated from Reconciliation SA, Human Rights Commission – Anti-Racism Secretariat, and Nunkuwarrin Yunti. The reasons for undertaking this campaign is because as the Indigenous Officer, I have experienced racism, other Indigenous students have experienced racism and People of Colour have experienced Racism. Racism is an ongoing issue for Aboriginal and Torres Strait Islanders and People of Colour. It can cause mental health issues with anxiety, depression, substance abuse, complex PTSD, suicidal ideation or even suicide.

Creating a campaign of awareness about the impact Racism can have on people is important issue for both our community here at Flinders University and the wider Australian Community. Learning Centers, such as Flinders University, should be leading the way in shining the light on this problem.

### **1.0 Introduction**

General Council members Tarmia and Lydia are wanting to host a 'meet up' style event in the Flinders Tavern during the second week of semester 2 2018. This event will be aimed at first year students entering university mid-year and those who started in March but feel unconnected to the Flinders social scene.

### **2.0 Components of Event**

#### **1.0 Introduction**

NAIDOC originally stood for National Aborigines and Islanders Day Observance Committee, their role was to organise activities on a national scale. Nowadays this acronym is used as the name for the official week of events celebrating Aboriginal and Torres Strait Islanders. NAIDOC Week's official dates were 8th-15th July. Traditionally at this time the majority of Flinders University students are on their mid-year break. Therefore FUSA celebrates NAIDOC at a later time in the year where all students can celebrate Australia's First Nations.

The NAIDOC theme this year is 'Because of her, we can!'. FUSA's NAIDOC celebrations will be held over 4 days, 27-30th 1st August, 2018. FUSA's NAIDOC celebrations will be held at various locations from the HUB, to Sturt Campus, the HSLTC, Tonsley Building and Flinders Northern Territory.
